R Markdown for ui.R

```
library(shiny)
shinyUI(fluidPage(
  titlePanel("Predict MPG from Weight"),
  sidebarLayout(
    sidebarPanel(
      sliderInput("sliderwt", "What is the weight of the car?", 1
, 6, value = 3),
      checkboxInput("showModel1", "Show/Hide Model", value = TRUE
),
      submitButton("Submit")
    ),
    mainPanel(
      plotOutput("plot1"),
      h3("Predicted MPG from Model:"),
      textOutput("pred1")
    )
  )
))
```
